choose your path!

Participate in a Community of Practice (COP) and then choose to acquire an Additional Qualifications Course (AQ) to further enhance your knowledge, develop more effective practices and gain a better understanding for teaching and learning in a digital world.

To register please have your ETFO membership number handy and visit the ETFO Events Management System at events.etfo.org/upcoming-conferences and click on the Connected Communities 2017 tab.

For more information, contact Janet Millar Grant at the ETFO provincial office, jmillargrant@etfo.org.

see reverse for additional details

Community of Practice (COP) members will spend 6-7 hours a week online in a Kindergarten, Mathematics or Technology focused COP, connecting to content, exploring research, applying and sharing new learning and documenting impact on students. An administrative fee of \$25/per COP, will be charged (refundable to non-accepted applicants).

Additional Qualification (AQ) course members, who have completed a Connected Community of Practice, will be given the option of applying to continue for an additional six weeks toward accreditation in one of nine AQ courses. An administrative fee of \$150/per AQ course will be charged (refundable to non-accepted applicants).

Registrations will be processed and reviewed on a first-come/first-served basis and registration will close on date indicated. Please see the EMS registration for additional details.
